A PASSION FOR TRANSPORT SOLUTIONS

We transport any cargo from port to doorstep to any destination in Namibia. We believe transport should be hassle-free, flexible to your needs, cost-effective and always on time!

ABOUT RENNIES

- ◆ Part of one of the oldest and most experienced logistics companies in Southern Africa. More than 90 years experience in logistics services.
- ◆ Based in Walvis Bay, within 1km of the port.
- ◆ A highly skilled staff compliment.
- ◆ All-inclusive service portfolio of transport, cargo handling, storage, logistics, freight and supply chain management services.
- ◆ Multi-user facilities and services. Client information and projects are treated with the highest level of confidentiality.
- ◆ Staff undergo regular safety, dangerous goods and defence driving training.

ADDED VALUE

- ◆ Our extended logistics service portfolio ensures that cargo reaches its destination in time and at the lowest possible cost.
- ◆ Affiliated to a number of regulatory and international logistics entities, such as Walvis Bay Corridor Group, the Walvis Bay Port Users Association and the Namibian Logistics Association.
- ◆ Key-account management services; so you deal only with one person to address all your needs and enquiries swiftly.
- ◆ Inventory control service for consignment cargo.
- ◆ ISO 9001:2008 certified.
- ◆ State of the art Tracking systems.

OUR EXPERIENCE

- ◆ We are specifically geared for large project consignment freight transport requirements for industries such as:
 - Mining, Energy, Fishing, Agriculture.
 - Retail and wholesalers (FMCG).
 - Manufacturing and Construction.
 - Large scale infrastructure development.
- ◆ We also boast with an extensive portfolio of transport various types of cargo:
 - Containerised commodities.
 - Heavy mining equipment and tools.
 - Bulk and break-bulk.
 - Sensitive and hazardous material.

OUR SERVICES

- ◆ Complete transport logistics and cargo handling services.
- ◆ Freight handling, containerisation and destuffing.
- ◆ Complete assistance on project freight.
- ◆ Local Transport – Containers / Break bulk within Walvis Bay, neighbouring towns and all Erongo based mines.
- ◆ National transport – Containers / Break Bulk delivered to any destination within Namibia.
- ◆ Well maintained fleet of trucks, side loaders, flatbeds.

- ◆ Cargo handling equipment rental.
- ◆ Well trained and certified drivers and equipment operators.
- ◆ Certified to handle, store and transport dangerous goods.
